*About my blog*

HEALING  
HOME  
VISION

The vision behind Healing Homes was to create a faith based community where moms and women could be refreshed by inspiring writing and topics. You know you have a good thing, when your vision expands into something even more than you visioned. Women all over the world are coming together to share their personal stories and be rejuvenated by a lifestyle of healing.

## MY MOST FREQUENT VISITORS

---

Healing Homes caters to moms and women like me. We're a unique breed of adventurers, healthy life style enthusiasts, chicken fanatics, DIY-ers, and explosion of messy children activities. We are quite well rounded! Each month the blog focuses on a new theme where guest writers pour out their expertise. Topics range from Adventuring to Self-Care.
